Tashkand Handlooms Pvt Ltd is a renowned organization with a strong presence in the textile industry. We have a comprehensive network of weaving, chenille yarn producing, dyeing, printing, and sewing units all under one roof. Since our establishment in the early 1970s, we have been pioneers in jacquard weaving and dyeing, focusing relentlessly on quality and innovation. "Tashkand" has cemented its position as a premier name in upholstery fabrics, particularly known for our expertise in jacquard woven textures. From the very beginning, we have fostered warm, attentive, and enduring relationships with our customers by providing them with creative products at competitive prices and ensuring prompt and efficient deliveries. With our in-house production units for chenille yarn, weaving, printing, stitching, dyeing, and fleecing, we possess the capacity to handle multiple orders, both domestic and export, with utmost efficiency. We continuously strive for expansion by incorporating the latest technology to offer our customers the most stylish and trendsetting furnishing fabrics. Moreover, our flagship division, Raishal Fabs, has established itself as a premium cut length provider in the India furnishing market. With a presence in leading retail stores, Raishal Fabs boasts a vast array of upholstery and drapery options. We take pride in offering exemplary service, a wide range of creative choices, and competitive pricing. Tashkand Handlooms Pvt Ltd, with its rich history and commitment to excellence, remains devoted to delivering impeccable products and building lasting partnerships with our prestigious clientele.
